

# CHALLENGER 2021

Second Baptist Church 201 N. Houser St. Cherryville, NC 28021

We will be studying the book of Habakkuk this month. The purpose of this book is to show God is still in control of the world despite what seems to be a triumph of evil. As you read this book, be encouraged knowing that God is at work in the world and in our lives.

The book of Habakkuk has three great lessons in it. This month you will need to read the three short chapters and write down the three lessons from the chapters and the verses they come from. Each lesson can be different according to your perception of the reading, but should have scripture to back it up.

## Chapter 1

1. What is the lesson you learned from this Chapter?
2. What is the scripture from this Chapter to back up what you learned?

## Chapter 2

1. What is the lesson you learned from this Chapter?
2. What is the scripture from this Chapter to back up what you learned?

## Chapter 3

1. What is the lesson you learned from this Chapter?
2. What is the scripture from this Chapter to back up what you learned?
